

# POWERBAR CAFFEINE BOOST

The caffeine shot from Powerbar.

## PRODUCT DESCRIPTION

You want to increase your concentration and endurance performance? Then you should try the PowerBar Caffeine Boost. It offers 200 mg of caffeine in a convenient ampoule and combines caffeine from different sources such as mate tea and guarana extract. Try the caffeine kick that many athletes rely on in training and competition.

- > 200 mg caffeine per 25 ml ampoule from various sources such as mate tea and guarana extracts
- > Caffeine is used for short-term physical performance
- > Free from artificial flavours

All Powerbar Black Line products are also listed on the Cologne List® and have been tested and certified by Informed Sport (LGC) for banned substances. As a result we can offer athletes even more safety and trust.

## SUGGESTED USAGE

Max. 1 ampoule/day.

Shake well before use.

This food supplement should not be used as a substitute for a varied diet. A balanced diet and a healthy lifestyle are important. Do not exceed the recommended daily intake.

Keep out of reach of young children.

Contains caffeine (200 mg/ampoule). Not recommended for children or pregnant women. Not recommended for lactating women.

# POWERBAR CAFFEINE BOOST
