the sunglasses could break, causing injury to the face and eyes; Not suitable for driving in twilight or at night; Not suitable for driving at night or under conditions of dull light.

Sensitivity to light and glare, especially in cases of bright sunlight and strong sun glare, such as on snowfields, at the beach or at sea, varies from one person to another but it must be considered that the lightest filters, categories 0 and 1, reduce solar radiation only slightly in the visual field whilst guaranteeing excellent protection in the UV area.

STORAGE, TRANSPORTATION AND MAINTENANCE:

When not in use or when carrying them around, store the sunglasses in their case at a temperature between -10°C and +35°C.

Keep away from direct sunlight and avoid exposure to high temperatures, such as the heat in a car without conditioning (e.g. car dashboard), because high temperatures may alter the features of the glasses.

Replace the sun filters if damaged (e.g. scratched, opaque). Use only original accessories and spare parts.

CLEANING

Use a damp cloth and mild soap to clean the glasses, then dry them with a soft, clean cloth.

Do not use solvents (e.g. alcohol, acetone) or aggressive detergents which may alter the features of the glasses.

APPROVED SPARE PARTS AND ACCESSORIES:

For approved accessories contact your authorized Sweet Protection dealer or Sweet Protection customer service. Do not change or remove any parts of the sunglasses except parts that are especially designed for removal. Please see specific instructions for your sunglass model.

WARRANTY CLAIM PROCESS:

1. Before returning any product, you must contact Sweet Protection by phone or e-mail to obtain a return address and authorization. E-mail: customerservice@sweetprotection.com
2. Ensure that the returned product is washed, clean and dry before shipping. Dirty and/or foul-smelling products will be returned unprocessed or may delay the process and will be subject to a surcharge.
3. Remember to include a note with your name, address and phone number, and take care to include a short statement explaining the warranty problem. Alternatively, you may also return your product to the store from where you originally purchased the product. Any Sweet Protection dealer will be able to handle the warranty claim process on your behalf. US/Canadian citizens: Sweet Protection makes no other express warranties or guarantees, except as otherwise specifically stated. Any warranties implied by law shall be limited to ninety (90) days in duration. Some states do not allow limitations on how long an implied warranty lasts; therefore, the above limitations may not apply to you. Sweet Protection shall not be liable for any incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
